

## ***MANUFACTURER WARRANTIES***

***Manufacturer warrants and guarantees Sales Representative that all products shipped by it shall be free from defects in material and workmanship upon leaving the factory. The products shall carry a one year warranty commencing on the day of sale to third parties by Sales Representative (exclusive of axles which carry manufactures warranty and electrical which shall carry a 30 day warranty ). Warranty is void if products are misused or altered in any form other than by the manufacturer. Sales Representative must assume responsibility for assisting the manufacturer with warranty problems and must not recover more than Sales Representative's cost of repair.***
